

INVESTING IN OUR COMMUNITY

YMCA OF GREATER SPRINGFIELD IMPACT 2024

Since 1852, each day, we welcome individuals into the YMCA of Greater Springfield facilities where they are doing more than just utilizing a gymnasium and pool. They are taking part in programs that are dedicated to youth development, healthy living, and social responsibility.

A Helping Hand

We work diligently to ensure that no one is turned away due to the inability to pay in full for programs and services and has the opportunity to learn, grow, and thrive. The YMCA also offers our Y-AIM teen program and our **LIVESTRONG® at the YMCA** cancer surviving program free to all participants and assistance to our Military and Veterans. To accomplish all this, we rely on donations from the community, grant funds, and government contracts to provide financial assistance to those who otherwise could not afford to participate in our programs and to attend our free programs.
